This promotion is valid through March 2019. Please present your current (within 10 business days) Loan Estimate or pre-approval letter at the time of your request for your pre-approval. If you have a current lock-in agreement, this is not an inducement to transfer your loan. Minnesota Residents: If you have entered into a rate lock agreement with another lender or broker for the purchase of a home or refinance of your mortgage, you are not eligible for this promotion under MN law. This promotion may not be combined with any other offers, discounts or promotions.

A pre-approval is based on our preliminary review of credit information only and is not a commitment to lend. When applicable, we will be able to offer a loan commitment upon verification of all application information, satisfying all underwriting requirements and conditions, and providing an acceptable property, appraisal, and title report. Pre-approvals are subject to change or cancellation if a requested loan no longer meets applicable regulatory requirements, there are changes in your credit report and/or credit score or your current financial status or application information changes or cannot be verified. Pre-approvals are not available on all products. See a mortgage loan officer for details.
